About BuildingPro

Founded in 2000, BuildingPro are professional award winning building consultants. Fully licensed and insured, we provide building inspection services for commercial buildings in the Brisbane area.

Andrew Mackie-Smith is the principal building inspector of BuildingPro and is a 3rd generation commercial builder and Building Surveyor with vast commercial inspection experience of more than 13 years in Brisbane. From small shopping centres and warehouses to large hotels, BuildingPro have the capability to inspect various types of commercial properties to ensure you make the right decision about your investment saving you time, money and stress.

The Building Inspection

BuildingPro provide a wide range of commercial inspection services to ensure that you are fully informed about the property. Your inspection is completed to Australian Standards using the latest technology and equipment such as FLIRi5 Thermal Imaging Camera; Termatrac T3i; and Tramex Moisture Meter to assist in detecting defects and faults. Fire Safety, Electrical & Pest Inspections can also be booked.

The report will be emailed to you the same day if requested or within 24 hours of the inspection and will include digital photos and a detailed description of the type and location of any defects. We will assist you in understanding the significance of identified defects by explaining any issues raised. Read some of our case studies and see sample reports at www.buildingpro.com.au/commercial

The Cost

Our fees vary depending on the type, size, age and location of the property. Call us for more information or a quote on 07 3311 2273
